Create a page for us on JustGiving

Helping ordinary people raise extraordinary amounts for charity is all they do, and they love it.

We would love it if you would help us to do great things by creating a JustGiving page for our charity and raising as much money as you can for us. We'd love to know what you're getting up to and we will support you in any way we can.

Making a fundraising page takes just **60 seconds**

All you need to do is visit www.justgiving.com and search for our charity.

Once you've done that it's really simple to get started:

- 1 If you're new to JustGiving, enter your email address, fill in your details and choose a password
- 2 Choose your event, or another type of page and click 'select'
- 3 Choose a web address for your fundraising page and click 'create your page'
- 4 Go to your account and personalise your page with a message, image and target

Your support is really important to us. Good luck and let us know how you are getting along.

Thank you
